

HELPING YOUR CHILD BECOME A CONFIDENT READER

OnYourMark Education

Virtual Literacy Tutoring Program

Why This Matters

Reading is the foundation for all learning.

OnYourMark Education exists to help children build the foundational literacy skills they need for success in the classroom and beyond.

Through personalized virtual tutoring, we give students the support they need to become thriving, confident readers.

How It Works

Small-Group Virtual Sessions with a Live Tutor:

Your child meets their tutor online for 20-minute sessions, 4 days a week, during the school day

Expert Tutors:

Tutors are trained in evidence-based reading instruction and relationship-building techniques

No Cost to Caregivers:

Tutoring is fully supported by your child's school

Why OnYourMark

Proven Results:

87% of our students grow in multiple reading skills

Personalized Approach:

Tutors adapt to your child's needs and personality

Consistency Matters:

Short, frequent sessions maximize progress

"One of my students used to whisper and avoid reading aloud. Over time, with daily encouragement and praise for her progress, she began reading fluently and even volunteered to go first—something she'd never done before."
